I'll ask her, but she would be the person I'd contact. (But she may be out of the office for part of next week, too, so I'll have to check).

Ok sounds great. If I need some clarification, would Erin be a good contact towards the end of this week/next week?

Thanks,  
Emi

Hey Emi, just wanted to let you know I got your message and am working on the email, so I haven't forgotten. Also, re: next week, you can text me at (b)(6) when you go out with the NPDES permit piece of the BiOp. At EPA, if you can send the NPDES permit portion to Erin Seyfriend, Andrea LaTier and Courtney Weber, that would be great. Thanks!
